Parking

If you're lucky (or it's Saturday), there's "Park Plus" street parking on 9th Avenue starting in front of "Oriental Phoenix" restaurant for a few blocks.

City Centre Parkade is attached to the building with entrances on the corner of 9th Avenue and 2nd Street and at 340 10th Avenue across the street from "NATIONAL". You must pay for parking in advance at one of the kiosks when you arrive. Purchase the minimum time which is 30 minutes (\$3.25 weekdays and \$1.00 after 4:00 P.M. and Saturdays) - as you will normally be in and out of the office in less than 15 minutes. From the Main Parkade level 4B or the elevators level 4 take the "Plus-15" and follow the "Medical Clinic" sign up the stairs to the 3rd floor. From the open-air 5B roof area ("Short Stay" or off Main Parkade) enter through the set of doors at the middle of the building directly on to the 3rd floor.

A second parkade is "kitty-corner" from Gulf Canada Square with entrances off 9th Avenue and 3rd Street (You pass this first on your Left if on 9th Avenue or on your Right if coming from MacLeod Tr.). There is also a parkade in "Banker's Hall".

Finally, there are "Impark" lots on 9th and 10th Avenues.
